Enterprise - Uploading a Lockbox Feed

Last Modified on 01/29/2021 3:30 pm CST

The Lockbox Feed allows users to upload payments into Enterprise that were sent directly to the staffing companies bank as remittance payment.

Note Please work with a TempWorks representative to ensure the file that will be uploaded into the system meets all necessary requirements for the lockbox to work.

To begin a lock box feed start by navigating to Invoicing > pay invoices:

Once an invoice payment session is started, select the upload lockbox feed icon:
