

Enterprise - How to Convert an Epay Transaction to a Live Check

Last Modified on 04/14/2022 8:54 am CDT

[BO - How to convert a direct deposit to live check from TempWorks Training on Vimeo.](#)

Within the check register users now have the option to convert E-pay transactions to live checks. This is beneficial if employees give incorrect direct deposit credentials, you missed ACH deadlines, or the bank is closed and an e-pay transaction has not been processed.

Navigate to the check register within the employee record by clicking on (1) employee and navigating to (2) pay history. Once in the pay history section select (3) check register. This will allow for users to view all checks associated with the employee. Within this section users will have the ability to search checks by a variety of filters as seen under the search for checks area.

ID	Num	Check	Status	Employee	Gross	Adj	Tax	Net
840				Noble, Jacki	\$600.00	\$150.00	\$89.67	\$360.33

Users may also locate the check register from the pay/bill dashboard. Make your way here by selecting (1) pay/bill from the navigation tree (2) and check register:

The screenshot displays the 'Checks' module in a software application. The central pane shows a table of checks with the following data:

ID	Num	Check	Status	Employee	Gross	Adj	Tax	Net
-12830		Clauson, Larry	Reversing		(\$324.00)	(\$286.67)	(\$37.33)	\$0.00
-12819		Kirby, Wyatt	Voiding		(\$540.00)	(\$147.13)	(\$43.07)	(\$349.80)
-12788		Zipper, Jessica	StopPestr		\$0.00	\$106.33	\$0.00	(\$106.33)
30006		Zipper, Jessica	Reissue		\$0.00	(\$106.33)	\$0.00	\$106.33
		Andrette, Chris			\$496.00	\$0.00	\$37.94	\$458.06
		Andrews, Greg			\$640.00	\$243.45	\$153.10	\$243.45
-30000		Cheney, Gizmo	Voiding		(\$425.00)	\$0.00	(\$36.93)	(\$388.07)
-12824		Chaplain, Hilary	Reversing		(\$560.00)	(\$420.49)	(\$139.51)	

Employees who have been setup with direct deposit may have situations where they request a live check to be printed in place of their usual deposit. To cut a "live" check, find the necessary check representing E-pay.

Check details for Peach, Jim:

- Check ID: 4295002942
- Check Number: 376
- Date: 10/6/2014
- Bank: CG Bank of America (E-Pay)
- Gross: \$238.00
- Adj: \$40.01
- Tax: \$17.90
- Net: \$180.09

Right-click on the check, select the convert to live check option. In doing so, this will no longer pull the transaction

into an ACH run.

Context menu options:

- View Check Summary
- Void or Reverse Check
- Reissue Check
- Undo Check Correction
- Convert To Live Check

Once you have selected this option, a confirmation window will appear, asking if you want to continue with the converting of the check:

TempWorks Enterprise
WARNING
 Are you sure you want to convert this EPay Check to a Live Check?
 Yes
 Cancel

To confirm, click Yes. Enterprise alerts you that the check has been converted to a live check:

TempWorks Enterprise

 Check converted to live check

[→ Continue working](#)

Take note that the check you have converted to a live check no longer has the E-pay status:

376 <small>Check ID: 4295002942</small>	Peach, Jim Dated 10/6/2014 CG Bank of America	Gross: \$238.00 Adj: \$40.01 Tax: \$17.90 Net: \$180.09
---	--	---

Note: Converting an e-pay transaction to a live check removes that transaction from electronic payment files that have not yet been pulled (ACH, pre-note).

Right-Click the check you have converted to a live check to print the paycheck for the employee:

-  View Check Summary
-  Void or Reverse Check
-  Reissue Check
-  Undo Check Correction
-  Convert To Live Check
-  Reprint Paycheck
-  E-Mail Paystub
-  View Employee

Users may also double-click the check, bringing you into the check summary. Utilize the actions icon as another option to reprint the paycheck as shown here. Check numbers will remain the same:

Payroll / Invoicing

Current Weekend Bill ● 357 Unused Timesheets
 2/15/2015 ● 10 Timesheets Not Paid

✖ Void or Reverse Check
 Reissue Check
 Reprint Check
