

# Marketing Calls Report

Last Modified on 05/22/2018 12:46 pm CDT

## Marketing Calls

### Purpose:

This report is designed for you to be able to search through your customer contacts by zip code and make sales calls to. It also displays the last message logged on the contact to see what the last correspondence with them was. The search is a proximity search to allow you to find contacts in a given area. The search is accurate within 10 miles depending on the area of the zip codes in the search.
