

# Employee Contact Info Report

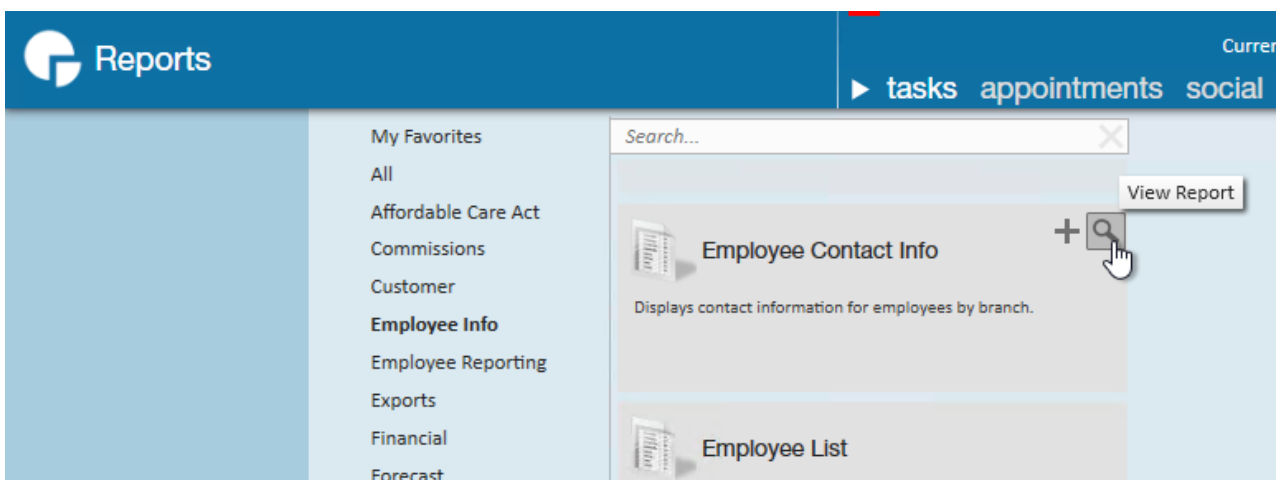

Last Modified on 07/25/2019 7:59 am CDT

## Purpose

This report is designed to find employees based on the date that their employee record was created in enterprise, this can be used to create a static call sheet to contact these individuals. This report was designed with mass callings or mass emailing's in mind. This report can be exported to Excel, as a CSV file, or to Text, etc.

## Where You Can Run this Report

This report can be run in Enterprise under All Options > reports. Select the Employee Info category on the left.

You can also run this report in Beyond under B menu > Reports. Select All Reports and search by report name or report group of employee info.
