

HRCenter Data Log Report

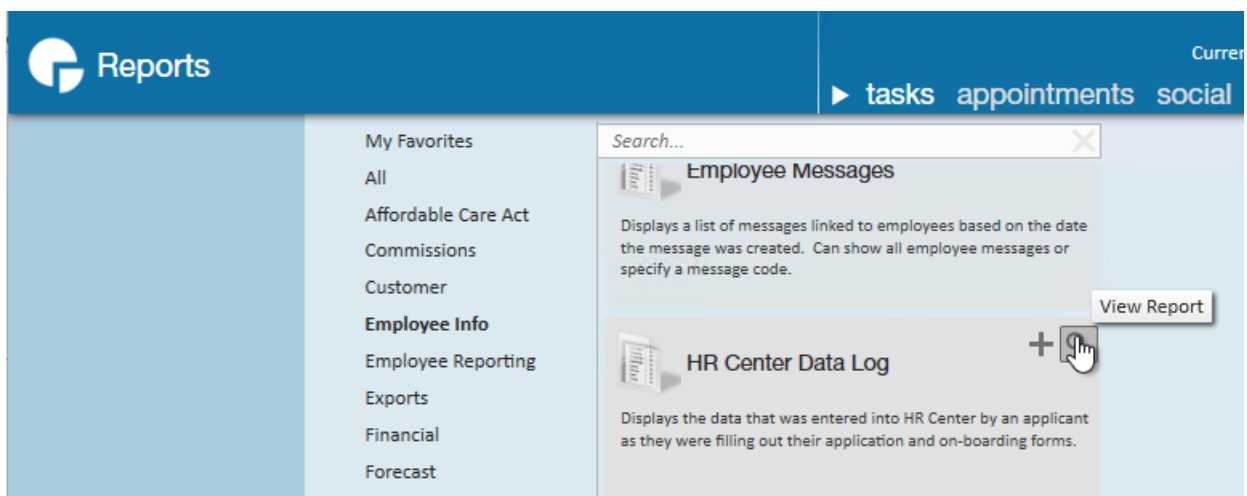

Last Modified on 04/18/2024 3:54 pm CDT

Purpose

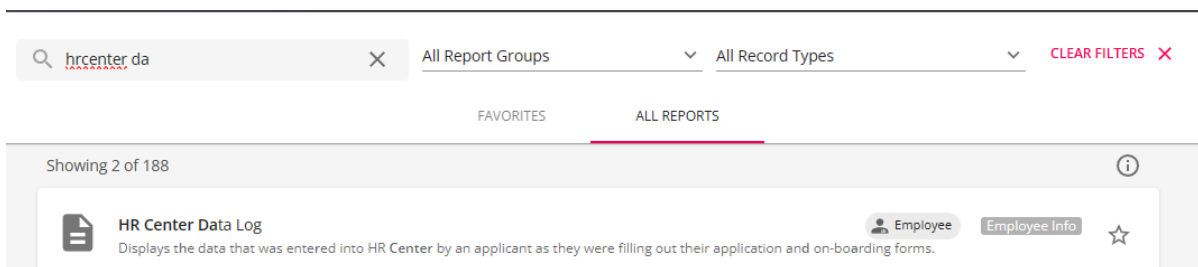

This report is designed to show information that has come from HRCenter into Enterprise via pre-fill and post-fill procedures as it is submitted. It will display a time and date stamp of when the information came into Enterprise as well as the field that the information came into.

Where You Can Run this Report

This report can be run in Enterprise under All Options > reports. Select the Employee Info category on the left.

You can also run this report in Beyond under B menu > Reports. Select All Reports and search by report name or report group of employee info.
