

# HRCenter Data Log Report

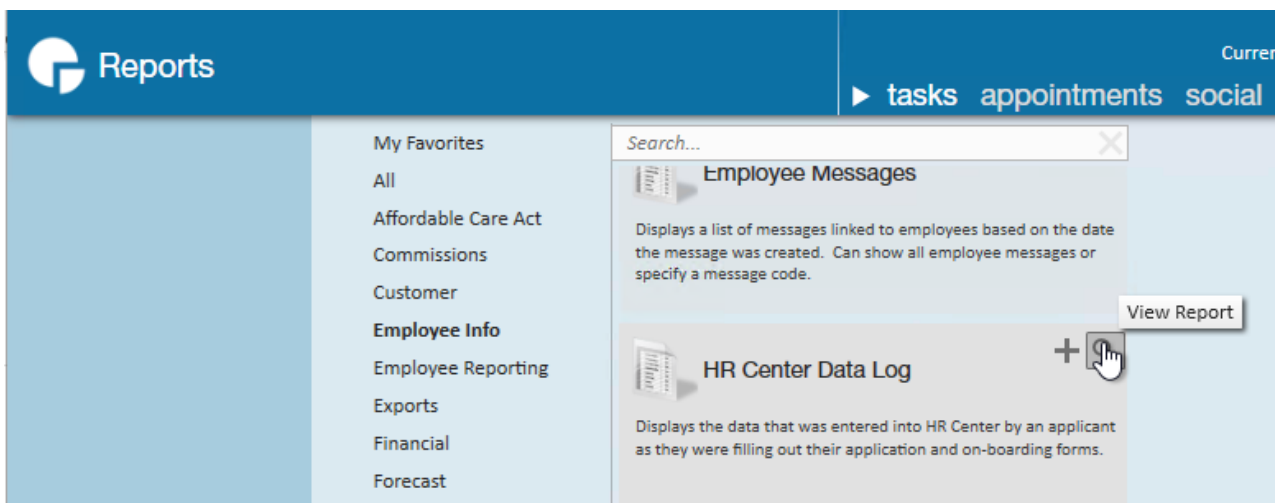

Last Modified on 07/25/2019 8:21 am CDT

## Purpose

This report is designed to show information that has come from HRCenter into Enterprise via pre-fill and post-fill procedures as it is submitted. It will display a time and date stamp of when the information came into Enterprise as well as the field that the information came into.

## Where You Can Run this Report

This report can be run in Enterprise under All Options > reports. Select the Employee Info category on the left.

You can also run this report in Beyond under B menu > Reports. Select All Reports and search by report name or report group of employee info.
