

# Order Fill Ratio Report

Last Modified on 05/22/2018 1:58 pm CDT

## Order Fill Ratio

Purpose:

This report shows you the number of assignments on an order verses the number of required assignments for that order. Allows you to see at a quick glance the average percentage of spots you are filling within the order.

|                     |           |            |                                |
|---------------------|-----------|------------|--------------------------------|
| Start Date          | 11/1/2017 | End Date:  | 11/10/2017                     |

Parameters:

1. Start Date: Starting order taken date of your desired date range.
2. End Date: Ending order taken date of your desired date range.
3. Group By: Allows you to filter the report by the following options:
  - a. Branch
  - b. Sales Team

c. Job Title

4. Branch: A drop-down list of all branches in the user's current hierarchy. Is a multi-value parameter so they can select all branches, just one specific branch, or any combination of different branches in the list.

5. Limit by Customer Id: Filter by a specific customer id number.

6. Sales Team: A drop- down list of all sales teams in the user's current hierarchy. Is a multi-value parameter so they can select all sales teams, just one specific sales team, or any combination of different sales teams in the list.
