Core - How to Log In

Log in Options:

Logging into Core is the same as any Enterprise user. Check out the linked articles below to find the right option for you.

Note you will need your user name and password in order to log in.

- **For windows users:** check out the How to Log into TempWorks
- **For mac users:** check out How to Log into TempWorks from a Mac

Note TempWorks does not officially support Mac OS devices as a preferred device when accessing enterprise through apps.tempworks.com

Additional Options:

Here are some additional links to helpful articles related to logging in:

- Add a shortcut to your task bar
- Add a shortcut to your desktop
- Accessing Local Drives in Enterprise
