

What is Buzz

Last Modified on 08/30/2021 3:08 pm CDT

What is Buzz?

Whether your employees are at home or on the go, TempWorks Buzz™ connects staffing agency employees to the information they need from your staffing agency.

Buzz provides quick and easy access to check messages, view assignments and paychecks, and search for open positions directly from their smartphone or mobile device. Staffing agencies gain enhanced employee relationships and improved employee engagement while employees have convenient access to the information they need to succeed.

Ready to get started with Buzz? Contact your TempWorks' Account Manager for pricing and information. Buzz does require some set up before you can use all it's features.

Supported Platforms:

Software:

- iOS - Latest two major versions.
- Android - Latest two major versions.

Hardware:

- Apple - Latest two device generations.
- Android:
 - RAM: 3 or 4GB minimum.
 - CPU: Minimum dual core processor running at 1.2GHz.

Buzz Feature Overview:

- Geofencing and facial recognition attendance system
- Viewing announcements and messages
- Reviewing year-to-date paycheck information
- Accessing current and previous assignments (including the work site address, shift hours, and dress code)
- Performing searches for open positions
- Viewing staffing agency branch information
- Accessing an agency staff member via chat
