(Legacy) Employee Portal - Welcome to WebCenter

Last Modified on 10/02/2025 1:08 pm CDT

What is WebCenter?

The employee portal of WebCenter gives you, the temp employee, access to important information including paycheck stubs, assignment info, and important documents.

> *Note* Each staffing company has a unique URL link to WebCenter and will need to provide you with log in credentials. These same credentials are used to log into HRCenter.

New to WebCenter?

Once you have received your URL and credentials, you can get started by logging into WebCenter. Once you've successfully logged in, take a look at the following articles to learn more about all the things WebCenter can do for you.

> *Note* Keep in mind that you may not be able to see all the options available as WebCenter can be limited by Roles and Configurations.
