

Buzz - Welcome to Buzz Employee Engagement

Last Modified on 10/29/2019 10:56 am CDT

What is Buzz?

Whether your employees are at home or on the go, TempWorks Buzz™ connects staffing agency employees to the information they need from your staffing agency.

Buzz provides quick and easy access to check messages, view assignments and paychecks, and search for open positions directly from their smartphone or mobile device. Staffing agencies gain enhanced employee relationships and improved employee engagement while employees have convenient access to the information they need to succeed.

Ready to get started with Buzz? Contact your TempWorks' Account Manager for pricing and information. Buzz does require some set up before you can use all it's features.

What is included in Buzz Employee Engagement?

Buzz employee engagement gives your employees access to the basic Buzz app functionality including:

- [Availability](#)
- [Live Chat](#)
- [Job Board & Buzz](#)
- [Job Offers](#)

Some of our articles are titled with "Employee:" to show they give instructions on how to use the app from your employee's perspective. You can share these articles or copy them to create your own Buzz manuals for your employee's:

- [Employee: Buzz Overview](#)
- [Employee: Accepting & Declining Job Offers](#)

Already have the **Buzz Features** turned on? Learn how to invite your employees [here](#) .
