Hooray Health Integration

LLH Integration

E-Verify

E-Verify is a government run web platform that helps your team confirm that your employees or applicants are eligible to work in the United States. We integrate with E-Verify in Enterprise and Beyond to allow you to create a case and complete confirmation through E-Verify without ever leaving the employee's profile in our system.

E-Verify Overview

Pay Card Providers

Pay-cards are a simple and easy way to pay your employees, even employees who don't have a bank account. Our pay-card integration partners deliver the solutions you need to make sure your employees receive the flexible payment options they're looking for.
