## TempWorks & ADP Wisely

Always Designing  
for People™

Staffing is all about finding the right talent, making sure they are happy and working efficiently in a way that benefits your clients and helps your business grow. This means you have to attract the best people and run your business smoothly and cost effectively.

Wisely Pay by ADP offers a flexible pay card payment option that helps staffing companies meet employee demands and reduce costs while minimizing the payroll burden.

Wisely Pay is a prepaid account associated with a card and mobile app that makes it easy for your employees (even those without a bank account) to receive their pay, with the flexibility for you to pay whenever you need to and for your employees to access the spending power of their wages. Wisely Pay, brings your employees quick access to pay (without the hassle of paper paychecks) and many ways to use, share, or transfer their funds.
