Beyond University: HRCenter Minor Overview

Last Modified on 04/10/2020 11:55 am CDT

Welcome to the HRCenter Minor for Beyond Users

The HRCenter Minor series is aimed toward recruiters but we welcome all students who want to learn more about the application process in HRCenter and Beyond. During these courses, you will learn more about how applicants can apply for jobs and fill out applications. The service rep section will focus on different ways you can interact with the application and the applicant.

The Quizzes and Final

There will be pop quizzes after each video course to help you check your understanding

before you move on. The Final will be an accumulation of all the knowledge you've learned and will be located after the last course.

Want to know what a quiz is like? Try out the following example quiz:
