

# Release Notes: 5/01/2020

Last Modified on 05/01/2020 8:23 am CDT

Happy first day of May! ☺

**\*Note\*** For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

## The Highlights

---

### Beyond Background Check Integrations

We've added the ability to request and check background check statuses straight from the employee record in Beyond making it easier for your recruiters to complete onboarding processes without ever having to leave the system. We currently integrated with PeopleG2.

Talk to your TempWorks Account Manager today to get started!

## COVID Updates

To continue to help provide easy tools for tracking COVID-19 related credits and deferrals, we've added some new proofing/payroll errors and report options to help you:

- New Proofing and Payroll Errors have been added for COVID FFCRA related pay codes. Check out [Coronavirus, FFCRA, & Paid Sick Leave](#) for more information.
- New Reports have been added to accommodate the new COVID related credits and pay codes. Check out [COVID Reports Manual](#) for more

information.

# Additional Updates

---

## *In Beyond*

- A few small changes have been made to the education details under the Employee Story Tab:

Edit Education

Institution

Angry Valley Tech

Degree Type

Bachelors

Enrollment Status

Graduated

Enrolled

Graduated

Incomplete

Other

Other Information

- The field "Degree Awarded" has been changed to "Degree Type"
- A new field has been added called "Enrollment Status" which allows you to select whether they are Enrolled, Graduated, Incomplete, or Other
- The education address can now be configured to have optional or required address standardization. Check out [Beyond - Address Standardization](#) for more information.

## *In Enterprise:*

- In accordance with the new updates for the CA Department of Child Support Services (DCSS), we have created a new export to work with their new ExpertPay system. This export will pull all the related electronic payment child support payments into a file separate from your regular ACH file. Check out [Expert Pay Export](#) for more information.

### **Tax Updates:**

- Added 1% sales tax option in Williamstown, WV. Want to learn more about sales tax? Check out [How to Set Up Sales Tax on a Customer](#).
- Updated Sales Tax rates for the state of Hawaii including adding a separate rate for Max Pass-on Rates (MPR) for each sales tax jurisdiction to give you the chance to choose between the state rate and the max pass-on rate. We highly recommend looking at each customer record and worksite to ensure the correct sales tax rates are applied when needed. Check out [How to Set Up Sales Tax on a Customer](#) for more information.
- A new standard export was released this week for "MA Paid Family/Medical Leave". This can be found under the Paid Family/Medical Leave category and will display YTD and quarter wages based on EINC. Check out [Paid Family/Medical Leave Exports](#) for more information.

*Congratulations!* You've made it to the end of the release notes. **Like what you read?** Click the thumbs up below.
