# Release Notes: 06/26/2020

Welcome! Hope June has been treating you well. 

*Note* For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

## The Highlights

### Asurint Background Checks in Beyond

Asurint, another one of our background check provider partners, is now integrated in Beyond allowing your users to quickly submit background check requests and check statuses without leaving Beyond!

Check out all of our current providers and learn more about how the integration is setup: Beyond - Background Check Providers and Setup.

To learn more about how background checks work in Beyond, check out Beyond - How to Run a Background Check.

# Additional Updates

*COVID Report Updates:*

- COVID Provisions Report:
    - Added an Errors column that will display number of COVID related payroll errors for that employee
    - Add a group by option titled "Error Count" that will group each report row by number of COVID related payroll errors that have been received
    - Added option to expand each line item to show error messages
- Added a New Report called the "**CARES Act PPP FTE Average**"
    - This is the same as the FTE Average section of the CARES Act PPP Loan Forgiveness Estimator
- CARES Act PPP Loan Application & Loan Forgiveness Estimator Reports:
    - Made performance enhancements to make these reports run faster
    - Updated default cap amount to $46,154 (100,000/52*24)
    - Changed the 2020 Q1 modified wages to do /13*# of weeks and respect the same period cap to allow for varying periods
    - Added a warning to the Loan report if you are not running for a full week (since we are comparing figures, Running for 13 days rather than 7 will get you different results but same amount of week difference for Q1 Modified wages)
- Additional updates to CARES Act PPP Loan Forgiveness Estimator:
    - Added parameter for Period Length (defaults to 24 weeks but can be changed)

- Updated form to calculate 60% on Line 10 of Loan Forgiveness Calculator form (Was original 75%)
- Added Q1 original and modified wages to Table 2 (100k+, no financial reporting) to allow you to tie back table 1 and table 2 to the full PPP Payroll cost tab

*In Beyond*

- Date Degree Awarded field has been added to education card. To learn more about education, check out Beyond - How to Create an Employee Record Story
