

Release Notes: 03/29/2021

Last Modified on 03/29/2021 2:25 pm CDT

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

Product Updates

In Beyond

- An additional update was made Friday evening (3/26/2021) to fix an issue where some users were not able to access email templates in Beyond.
 - This update was applied automatically to all hosted customers.
 - Self-hosted customers will need to apply hotfixes to see the change.

In Enterprise

- For all customers doing business in CA, the CA Annual Pay Data Report update was made at approximately 2:10pm today (3/29/2021). This update fixed an issue where the total hours fields for some customers were not properly calculating.
 - If you are a self-hosted client who needs this report, we recommend applying this fix as soon as possible. Additional email instructions are being sent with updated RDL file and information.

Congratulations! You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
