## Product Updates

---

### *In Enterprise*

- As part of the [American Rescue Plan Act \(ARPA\) of 2021](#), the FFCRA credits have been extended to 9/30/2021. We've updated our COVID-19 pay codes and payroll errors to extend through this date.
  - Because the max gross and hour limits are being reset in accordance with the ARPA, our system will now also track max gross and hour limits on COVID-19 specific pay codes for 4/1/2020-3/19/2021 and 4/1/2021 - 9/30/2021 separately.
  - The [COVID Provisions Breakout](#) report has been updated to include which time period (before or starting on 4/1/2021) the employee reached hours/max gross limits for when displaying messages.
