

# Release Notes: 07/02/2021

Last Modified on 07/07/2021 11:14 am CDT

Welcome to July! This release includes optimizations around the usage of email in Beyond™, the introduction of a brand new standard EEO report, along with additional fixes.

Have a wonderful and safe holiday weekend!

**\*Note\*** For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

---

## Additional Updates

---

### *In Beyond*

- Optimized the time it takes to [Mass Update Rates within the Assignment Search](#) of Beyond.
- When searching for [Email Templates within Beyond](#), the search will execute once the user stops typing within the Search field.
- When [adding attachments to an email](#) that ultimately exceeds the 25MB size limit, you will be presented with an error, notifying you that the size limit of the email has been reached.
- Added additional tooltips when [utilizing email templates in Beyond](#).

### *In Buzz*

- Fixed an issue where custom app icons were causing the application to crash when using an Android device.
- Fixed an issue where punches were not showing when switching between assignments within the application.

### *In Enterprise*

- Made improvements to the Staged Check report to include hours summary and employer benefit amount totals.
- Fixed an issue with SHL assessments results reports not opening in HTML and PDF formats when the same formats are returned from SHL.
- Fixed an issue where Step 5 of the ADP Wisely screen was being cutoff.

### *In JobBoard*

- Completed JobBoard updates for ADA compliance.

### *Tax Updates*

- The Multnomah County Tax has been updated to only apply to Multnomah County residents in Oregon.

*Congratulations!* You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
