

# Release Notes: 08/27/2021

Last Modified on 08/26/2021 12:39 pm CDT

The end of August is upon us which means the kids are gearing up for the new school year and Fall is right around the corner. This release brings a heavily requested feature to Beyond along with some tax updates for Ohio and Washington.

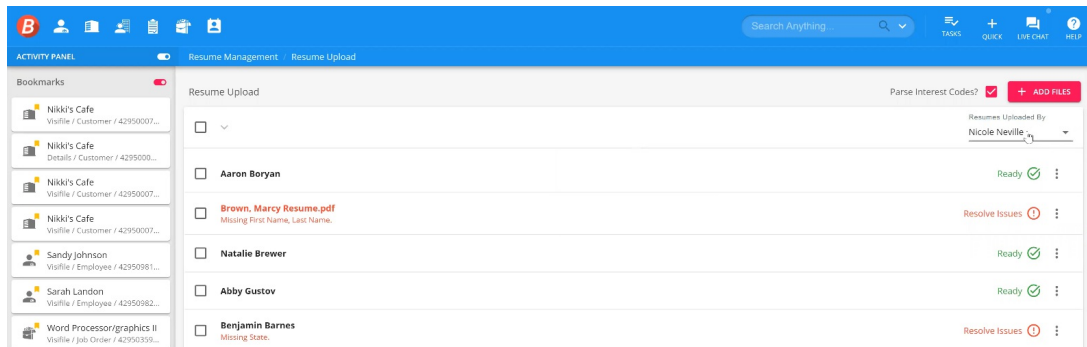

**\*Note\*** For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

## The Highlights

### Beyond - Upload Resumes in Bulk

Within Beyond, you have the ability to upload resumes in bulk. This functionality allows for employees to be created more quickly and efficiently when uploading resumes.

**\*Note\*** For more information, including instructions on how to use this feature, please see the article titled [How to Upload Resumes in Bulk](#).

## Additional Updates

### In Beyond

- Fixed data discrepancies with Sense based off recent mapping updates.

### In Buzz

- Completed performance optimizations on Buzz and TimeClock related processes.

### **Tax Updates:**

- Updated Ohio Withholding Tiers for 9/1/2021 as outlined within the following document: [WTH\\_OptionalComputerFormula \(ohio.gov\)](#)
- Completed Washington Sales Tax updates as outlined within the following document: [LSUFlyer\\_21\\_Q3.pdf \(wa.gov\)](#)
- Fixed an issue where the Multnomah County, Oregon tax was not being withheld when setup on an employee.
