

Release Notes: 09/24/2021

Last Modified on 09/23/2021 11:12 am CDT

Fall has officially arrived and to everyone who had already setup their decorations, don't worry, there is no judgement here.

This release brings a few major features to Beyond including the Interview Questionnaire, Resume Sourcing and Matching, and additional updates to Required Documents.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

The Highlights

Beyond - Additions to Required Documents

Additional functionality has been added to the Required Documents feature within Beyond including a new Dashboard Widget, Required Document Type management, and more.

For more information, please see the following articles:

Beyond - Interview Questionnaire

The Interview Questionnaire has been added within Beyond, mirroring what is currently possible within Enterprise.

For more information, please see the following article:

- [Beyond - Interview Questionnaire](#)

Beyond - Resume Sourcing and Matching

Within Beyond, functionality has been added to source resumes added within the system and better

match candidates to jobs.

Note This functionality is coming soon to Self-Hosted clients.

PSD Code Updates for Employees in PA

Within Enterprise, the following updates have been made for Employees with a Tax State of PA:

1. A PSD Code will need to be selected within the Employees Pay Setup.
2. Once a PSD Code is added to the Employee Pay Setup, the County Tax, City Tax, and School Tax fields will be unable to be edited.

For more information, please see the following article:

Additional Updates

In Beyond

- Fixed a visual issue where long Required Document names would not fit properly.
- Fixed an error that would occur when attempting to Edit a Required Document.

In Enterprise

- Fixed a visual issue with the address field when using the "Copy Employee to Contact" functionality from the Action's Menu.
- Improved the UI messaging around the functionality of voiding/reversing checks paid via Paycard.
- Fixed an issue with voiding invoices once "Consolidate Invoices to Parent" settings have been updated on the Primary Customer record.

Tax Updates:

- Completed OH Sales Tax updates that go in effect on 10/1/2021.
