Off-Cycle Release Notes: 02/05/2022

This off-cycle release includes a fix for Web User accounts needing access to WebCenter and/or HRCenter.

Note For all self-hosted clients, hotfixes will need to be applied before creating new Web User accounts.

Additional Updates

In HRCenter & WebCenter:

- Fixed a product instance linking issue with Web User accounts. This fix allows for Web User accounts to access their instance of WebCenter and/or HRCenter.

Congratulations! You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
