

Release Notes: 05/20/2022

Last Modified on 05/19/2022 3:32 pm CDT

This release brings the Notice-To-Owner (NTO) functionality to Beyond, improvements to Pennsylvania PSD Code functionality, and many fixes across TempWorks products.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

The Highlights

Beyond - Notice-To-Owner (NTO)

Notice-To-Owner (NTO) has been added to Beyond to be in-line with the functionality of Enterprise.

Note For more information on this functionality, please see the article titled [Beyond - NTO \(Notice to Owner\)](#).

Enterprise - Pennsylvania PSD Code Improvements

Multiple updates and improvements have been made to Pennsylvania PSD Codes:

- Added assignment restrictions related to employees/worksites not having correct PA PSD Codes.
- Added proofing warnings related to employees/worksites not having correct PA PSD Codes.
- Added payroll warnings related to employees/worksites not having correct PA PSD Codes.

Note For more information on these changes, please see the following articles:
