

# Off-Cycle Release Notes: 07/22/2022

Last Modified on 07/22/2022 3:19 pm CDT

This off-cycle release contains a fix to the Oregon Mag Media file.

**\*Note\*** For all self-hosted clients, this fix will need to be applied to your system in order to continue filing to Oregon.

## Additional Updates

---

### *In Enterprise*

- Fixed an issue with duplicate entries within the Oregon Mag Media file, causing errors within the file and the file being rejected by the state.
- 

*Congratulations!* You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
