

# Off-Cycle Release Notes: 10/27/2023

Last Modified on 11/09/2023 4:03 pm CST

This off-cycle release adds the ability to show/hide specific columns/fields within default check styles (along with the WebCenter Earning Statement) to comply with laws introduced by the states of [Illinois](#) and [New Jersey](#).

**\*Note\*** For all self-hosted clients, hot fixes will need to be applied so that check styles are in compliance with the states of Illinois and New Jersey.

Additionally, the updated RDL's will need to be applied for the check styles. These will be provided, via email, to your Support/IT contact.
