

Enterprise - Paystub & Reporting Updates for Illinois Day and Temporary Labor Services Act

Last Modified on 03/06/2025 9:56 am CST

Overview

To accommodate and comply with the [Illinois Day and Temporary Labor Services Act](#), the following has been completed:

- Default check styles (along with the WebCenter Earning Statement) now include the ability to show or hide additional columns/fields based on the requirements of the respective states.
- Three new standard reports ("IL Employee Assignment Notice", "IL Employee Notice Audit", and "Employee Hours Range IL") have been added.
- A new standard message action "Sent Employee Notice" has been added to help distinguish messages sent related to employee notice forms linked to the state of Illinois.

Note If you have employees working in Illinois and need your default check style updated, please contact your TempWorks Account Manager to begin the process.

If you have custom check styles that you would like to have the additional columns/fields applied, please contact your TempWorks Account Manager.

Check Style Updates

To accommodate Illinois law, the following columns/fields have been added:

- **Days Until No Fee** - Display how many days remaining until the employee has worked 60 days for the staffing company in the last year.
 - For "Days Until No Fee", the days worked are only counted when entered as Day 1-7 on posted timecards.
 - Fields "Day 1" through "Day 7" can be found by navigating to Enterprise > Pay/Bill > Time Entry > Timecard of employee > Detailed Timecard > "Pay and Bill Rates" tab.
- **Max Placement Fee** - The maximum amount of a fee that shall be charged to a third-party client by the temporary help service firm.
 - This will need to be added via Custom Data fields on the Job Order and Assignment records with the Property Name of "MaxPlacementFee". For more information on Custom Data, please see the article

Reporting Updates

Three new standard reports have been added:

- IL Employee Assignment Notice
- IL Employee Notice Audit
- Employee Hours Range IL

IL Employee Assignment Notice

- This report is required by the state of Illinois for temporary employee requested assignment information.
- Information within this report is gathered from the following areas:
 - **Safety Contact:**
 - This is populated via the Job Order contact with the contact role of "Safety Contact".
 - In the event a "Safety Contact" does not exist within the Job Order, the "Supervisor" is then selected.
 - In the event a "Supervisor" does not exist within the Job Order, the "HR Coordinator" is then selected.
 - **Start Date & Start Time:**
 - Assignment > Details > Job Information > Start Date
 - Assignment > Details > Job Information > Start Time
 - **Job Title & Job Description:**
 - Job Order > Details > Job Information > Job Title
 - Job Order > Details > Job Information > Job Description
 - **Dress Code & Safety Hazard Notes:**
 - Job Order > Details > Worksite > Dress Code
 - The "Safety Hazard Notes" are pulled from Customer and Job Order interest codes from the category of "Worksite Safety Hazards":
 - ***Note*** The "Worksite Safety Hazards" category and related interest codes are **not** added

by default. These will need to be added manually. More information on adding interest codes/categories can be found within the article titled [Enterprise - Creating Interest Codes](#).

The screenshot shows a web interface titled "Manage Interest Codes". On the left, there is a form with a "Category" dropdown menu currently set to "Worksite Safety Hazards". Below the dropdown is a "SAVE AS DRAFT" button. To the right of the dropdown, a modal window titled "Add Interest Code" is open, displaying a table of interest codes. The table has two columns: "INTEREST CODE" and "CATEGORY". All codes listed in the table are under the "Worksite Safety Hazards" category.

IL Employee Notice Audit

Note While this report can be accessed immediately, Illinois tracking for days worked is proposed for April 1st, 2024 and is subject to change.

- This report generates a list of employees and the number of days they have worked at each client on a rolling twelve-month period. This information is used to determine which employees require notices sent to them.

Note The days worked are **only** counted when entered as Day 1-7 on posted timecards.

- Fields “Day 1” through “Day 7” can be found by navigating to Enterprise > Pay/Bill > Time Entry > Timecard of employee > Detailed Timecard > "Pay and Bill Rates" tab.

Note There is also a new Beyond Dashboard Insight Widget titled “IL Employee 90 Day Audit - Top 5” that will show, at a glance, employees approaching their 90 days of work (limited to 5 rows on the dashboard).

For more information on Dashboard Insight Widgets, please see the article titled [Beyond - Default Insight Widgets](#).

Employee Hours Range IL

Based on the requirements provided by the Illinois bill 3650, the Employee Hours Range IL has been added

Note For more information on Illinois bill 3650, please see the links for the [original bill](#) and the [amendment](#).

(A) if a day or temporary laborer has been assigned to work and performs work at the same third party client for more than 720 hours within a 12-month period, not less than the median base hourly rate, or hourly equivalent if paid on a salary basis, of workers working in the same or a substantially similar job classification, as reflected in the detail level of the most recent Standard Occupational Classification System published by the United States Department of Labor's Bureau of Labor Statistics, in the same metropolitan area or non-metropolitan area of a Illinois where the work is performed, as reflected in the most recent Occupational Employment and Wage Statistics Survey, or any successor publication, published by the United States Department of Labor's Bureau of Labor Statistics;
