

Release Notes: 02/09/2024

Last Modified on 02/08/2024 2:12 pm CST

Welcome to February! This release brings the addition of the WOTC Eligibility charm in Beyond along with additional fixes and improvements across TempWorks products.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

The Highlights

Beyond - WOTC Charm

- The state of the WOTC charm depends on the pre-existing "WOTCEligibility Status" field and its status via Employee > Details > Hiring > "WOTC Eligibility Status".
- Shows the WOTC eligibility status of the employee depending on the color of the charm:
 - If **black**, the employee does not have a WOTC eligibility status selected.
 - If **green**, the employee has one of the following WOTC statuses:
 - "Eligible"
 - "Eligible - Maximized Credit"
 - "Eligible - State Certified"
 - If **red**, the employee is not WOTC eligible.
