Beyond - UI/UX Improvements Overview

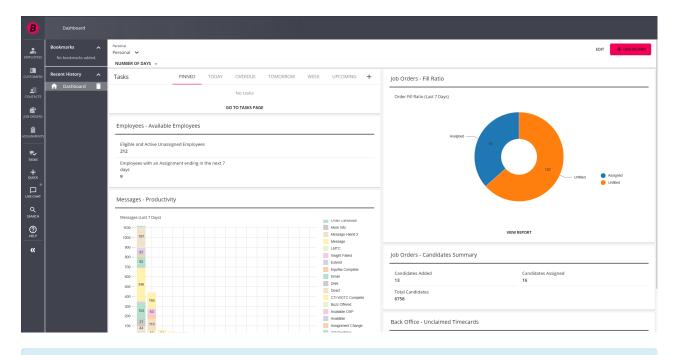

Last Modified on 04/04/2024 2:39 pm CDT

Overview

On 4/19/2024, Beyond is getting a fresh coat of paint!

The improved Beyond UI/UX comes with the following enhancements:

- Creating a modern look and feel.
- Ensuring Beyond is ADA compliant with the introduction of themes.
- Improving navigation and usability on mobile devices.

Note Once the UI/UX refresh has been released, your Charms will need to be re-ordered based on your preferences.

	✓ Assignments			₹

You will be able to select up to 12 charms to view within the header. Attempting to select more than 12 will prompt a message stating, "Maximum number of charms reached".

Modern Look and Feel

The header options have all moved to the left side of the screen, allowing for a more seamless interactive experience:

ADA Compliant

With the addition of default Beyond themes for primary and secondary colors, regardless of your choice, Beyond will remain ADA compliant:
