

Release Notes: 08/09/2024

Last Modified on 08/07/2024 10:33 am CDT

This release brings plenty of fixes and improvements across TempWorks products.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

Note We're on the move! We are thrilled to announce we are transitioning our corporate headquarters from Eagan MN to Bloomington MN. As of July 29, 2024, our physical location will be 5600 W 83rd St Suite 400, Bloomington MN 55437.

This announcement modifies any notice address that might have previously applied under contract(s) executed with your company, such that contract notices should now be sent to the Bloomington, MN address, and not the Eagan, MN address.

Please email twaccountsreceivable@tempworks.com or reach out directly to the account management team via accountmanagers@tempworks.com if you have any questions.
