

Off-Cycle Release Notes: 02/11/2025

Last Modified on 02/11/2025 12:21 pm CST

This off-cycle release brings a fix for searching on the last 4 of the SSN.

Additional Updates

Beyond

- Fixed an issue preventing users from being able to conduct a search on the last 4 of the SSN.

For Self-Hosted Clients

- The latest Dacpacs will need to be applied for the above fix to searching.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

Congratulations! You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
