

Release Notes: 04/18/2025

Last Modified on 04/16/2025 9:55 am CDT

This release brings updated visibility to record statuses within Beyond along with additional fixes across TempWorks products.

The Highlights

Beyond - Enhanced Record Status Visibility

Within the “Active” charm on any record type in Beyond, the “Status” will show directly within the charm:

Additionally, you now have the ability to update the employee “Hire Status” directly within the “Active” charm of the employee record:

Additional Updates

Beyond

- Fixed a visual issue when viewing record header details on a mobile device.
- Fixed an exception error that would be received when attempting to complete an Asurint background check.
- Fixed an issue where records would not sync as intended between Sense and TempWorks based on the information entered within the Public Job Description.

HRCenter

- Fixed an error that would be received after completing all Insight survey questions.

Tax Updates

- California
 - For Alameda, CA - Updated the Sales Tax Rate to 10.25%.
 - For Humboldt, CA - Updated the Sales Tax Rate to 7.75%.
- Minnesota
 - Updated Sales Tax Rates based on the requirements provided by the state of [Minnesota](#).

Reports

- Completed the following updates to the California Pay Data reporting, based on the requirements provided by the state of [California](#):
 - Added "Middle Eastern or North African" "MENA".
 - Changed "Two OR More Races" to "Multiracial and/or Multiethnic".
 - Changed "Native Hawaiian or Other Pacific Islander" to "Native Hawaiian or Pacific Islander".

For Self-Hosted Clients

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.
