

Lone Oak Payroll Bank Holidays

Last Modified on 06/27/2025 9:28 am CDT

Overview

This page is designed to help Lone Oak Payroll clients understand how banking holidays affect payroll processing.

On a banking holiday, financial transactions cannot be processed. This includes ACH file uploads, wire transfers, and check dates that fall on the holiday. While Lone Oak Payroll is closed on some of these holidays, we remain open on others. When we are open, our team will continue to respond to requests, post payrolls, and perform daily processing activities that do not involve financial transactions.

The table below outlines each banking holiday for the current year.

Note Please refer to the “Notes” section for specific guidance on how each holiday may affect your payroll schedule and deadlines.
