Release Notes: 06/13/2025

Last Modified on 06/12/2025 3:51 pm CDT

This release includes tax updates along with additional fixes across TempWorks products.

Additional Updates

Beyond

- Fixed a visual issue when pinning a column within grids.
- Fixed an issue preventing messages from being logged through the Sense integration.
- Updated the character limit of the Customer > Defaults > Job Descriptions > "Public Job Description" field to 8000, matching the limit in Enterprise.

HRCenter

- Fixed miscellaneous issues related to workflow stability including:
    - Pages not being marked as "signed".
    - Workflows being unintentionally removed.

Reports

- Within the California Pay Transparency reporting, fixed an issue where the incorrect headcounts for the subtotals by different remote worker categories were being displayed.

Tax Updates
