

Off-Cycle Release Notes: 06/20/2025

Last Modified on 06/20/2025 3:36 pm CDT

This off-cycle release includes updates to the default EEO-1 report.

The Highlights

EEO-1 Report Updates

To ensure compliance with EEOC requirements, the default EEO-1 report has been updated.

Note For more information, please see the article titled [EEO-1 Report](#).

For Self-Hosted Clients

- Please keep in mind the following information related to the installation of the EEO-1 report updates:
 - The updated report procedure will be available via DacPac by 6PM CT.
 - You will be emailed a copy of the updated RDL that will need to be added to your Reports Server.

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

Congratulations! You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
