

# Release Notes: 07/11/2025

Last Modified on 07/09/2025 10:53 am CDT

This release includes additional fixes across TempWorks products.

## Additional Updates

---

### *Beyond*

- Fixed a visual issue when removing a Job Title from a Rate Sheet.

### *Enterprise*

- Fixed an error that would be received when attempting to attach a file to a message.
- Fixed an issue within Dispatcher that would allow for posted timecards to be included within both an instant pay run and a standard payroll run.

### *Reports*

- Fixed an issue where state Mag Media files were not generating as intended.
- Fixed an issue where Dynamic Reports were not including all intended employee ID's.

### *WebCenter*

- Within the Enhanced Customer Portal:
  - Fixed a visual issue where reports would not populate as intended.

## For Self-Hosted Clients

---

**\*Note\*** For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.
