Total Rows: 1,315

Note As part of this upgrade on 9/19, your current saved grid preferences (including pinned columns, column order, visibility, grouping, etc.) will reset to default.

After the upgrade, you'll just need to set them once and your preferences will be saved for all future sessions.

Note For an overview of what's new, along with tips to quickly setup your preferences, please see the article titled [Beyond - Grid Navigation](#).
