

Release Notes: 10/31/2025

Last Modified on 10/30/2025 10:17 am CDT

Happy Halloween! While this release won't bring any tricks, it does bring plenty of tax updates along with fixes and improvements across TempWorks products.

Additional Updates

Beyond

- Validation errors provided by AccuSource will now appear as intended within Beyond.
- Fixed an issue where standardizing an address would include a large number of Zip Codes.
- Fixed an issue where incorrect messages would appear within the “Messages - Productivity” Insight Widget.
- Grid preferences within Advance Search grids will now be saved for the user **only** during the users **current** Beyond session. These grid preferences will **not** be saved in the event the page is reloaded, or the user logs out and logs back in to Beyond.

HRCenter

- Completed required formatting updates to the Montana W4 form.
- Fixed the mapping for the Marital Status within the Iowa W4 form.

Reports

- Updated the Employee Timecard Adjustments report to include timecard adjustments if multiple of the same adjustment were added to the same check and date.

WebCenter

- Within the Enhanced Customer Portal:
 - Completed updates to ensure role-based permissions for Contact Roles are being respected.
 - Fixed an issue where the “Select All” option for timecards was not selecting all of the timecards available within the grid.
