

TempWorks Mobile App - Job Board

Last Modified on 07/23/2026 3:28 pm CDT

Overview

The Job Board of the TempWorks Mobile App allows you to search jobs related to your interests and location. In the Job Board, you have the option of adding jobs to your "Favorites" list as well as applying to jobs you are interested in. This is accessed via the "Find Work" option within the Quick Access Cards at the top of the page, or the "Work" tab at the bottom of the page:

Searching for a Job

Within the "Find Work" page, select the "Discover" tab to search the Job Board. This search is for you to find open jobs you are interested in by Job Title and Location:

Once you search a job title and have narrowed your location, the TempWorks Mobile App will field your search results. These results are sorted, *by default*, by relevance to your search.

You will now see the job order search results. Select the  icon to bring up the filter options:

- You can filter the job results by the following:
 - Work Location
 - Distance
 - Hourly Pay Range
 - Skills
- Once your options have been chosen, select "Apply Filters" for the search results to filter based on your preferences:

If you would like to see more details of a job you see in the list, simply tap one of the jobs.

Favoriting a Job

You can "Favorite" a job order by selecting the heart icon within the job list. Favorited jobs will be shown within the "Favorites" tab of the "Find Work" page:

Job Details

Tapping on a job will bring you to the Job Details page. This page gives you the name of job, when the job was posted, location, pay information, and a description of the job itself.

You are also able to apply for the specific job and add yourself to a list of candidates by selecting the "Apply Now" button at the bottom of the screen:

Sortation Center Warehouse Associate

📅 Posted 09/01/2025

📍 Imperial, PA

💰 \$ 20.75

Job Description:

Join High Tech LLC's sortation team to help prepare customer orders for delivery. You'll be sorting, scanning, and stacking packages to keep things moving quickly and safely.

Responsibilities

- Receive, sort, and scan packages
- Stack items on pallets for shipment
- Use scanners and handheld technology
- Follow safety and quality standards

Requirements

- Ability to understand and perform duties safely in English
- Lift up to 49 lbs
- Stand, walk, bend, and reach during shifts
- Comfortable using carts, dollies, and other equipment
- Ability to work at heights up to 40 ft

Work Environment

- Safety gear provided
- Work around moving equipment
- Standing, walking, and stair climbing may be required
- Temperatures vary (60°F–90°F; warmer in trailers/truck yard)
- Noise levels can vary; hearing protection available
- Relaxed dress code; closed-toe shoes required

Applying for a Job

Within the application screen, you will find the following:

- At a minimum, you will need to enter the following information:
 - Phone Number
 - Email
- Additionally, you will be able to add the following:
 - Resume
 - Skills

Once ready, select "Start Now" to begin completing the fields:

A mobile application interface for a job application process. At the top left is a back arrow icon. Below it, the heading "Minimum to apply" is displayed. Underneath the heading are three numbered steps, each in a white rounded rectangle with a light gray border: 1. "Phone Number", 2. "Upload a Resume (Optional)", and 3. "Select skills (Optional)". At the bottom of the screen is a dark green button with the text "Start now".

Note The above screen will show in the event you are currently logged into an account.

Note You will only be asked to provide your phone number if one has not already been provided, or if you decline SMS consent. Once the phone number has been provided and SMS consent has been obtained, you will not be asked to provide your phone number again.

Phone Number

This allows our recruiters to contact you directly when needed. We may also send occasional account notifications by text.

- ☐ By sharing your phone number, you agree to text messages from Tempworks UAT. Message and data rates may apply.

Your phone number can be updated in the "My Information" section of your profile.

Enter the required information within the fields and select "Next" to continue:
