

Release Notes: 05/01/2026

Last Modified on 04/30/2026 3:28 pm CDT

This release includes the new Notification Service within both Beyond and WebCenter along with additional fixes across TempWorks products.

The Highlights

Beyond & WebCenter - Notification Service

To improve the stability of email delivery in Beyond and WebCenter, and to support future enhancements to our notification capabilities, TempWorks has introduced a new cloud-based Notification Service.

Note For more information on how to setup the Notification Service, please see the following articles:

- [Beyond - Notification Service](#)
- [WebCenter - Notification Service](#)

Additional Updates

Beyond

- Fixed an error that would be received when navigating to Time Entry.
- Fixed an issue where the time stamp on messages was not matching the time zone of the user based on the setup of the localization settings within Beyond.

HRCenter

- Completed background image updates to the Connecticut W-4 based on the requirements provided by the state of Connecticut.

Tax Updates

- Kentucky
 - For Elsemere, KY - Updated the tax rate to 1.75%, effective 7/1/2026.\
- Maryland

- Updated the standard deduction to \$3,400.
- For Allegany County, MD - Updated the tax rate to 3.20%.
- For Kent County, MD - Updated the tax rate to 3.30%.
- Ohio
 - For the Trimble School District, OH - Added a tax rate of 1.0%.
- Washington
 - Updated sales tax rates based on the requirements provided by the state of [Washington](#).

For Self-Hosted Clients

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.
