

Release Notes: 05/29/2026

Last Modified on 05/28/2026 1:49 pm CDT

This release includes a new Contact advanced search field in Beyond, along with additional fixes across TempWorks products.

Additional Updates

Beyond

- Added the “Last Message Date” field as an option within the Contact advanced search.
- Fixed a timeout error that would occur when attempting to view invoice history.
- Fixed a visual highlighting issue when hovering over Bookmarks and Recent History items within the sidebar.
- Fixed a visual issue where the “Inactive” icon would not appear as intended when grouping columns within grids.

Reports

- Updated the 2026 W-2 to include employee and employer MN Paid Family Leave (MNPFL) amounts within Box 14.

WebCenter

- Added a note when attempting to update the Cost Code within a TimeClock Timecard:
 - The note states “Changing the CostCode will move this punch to a different timecard”.
- Fixed an issue where the “Salary” line would not display within the “My Work” details.
- Fixed an issue where the TimeClock Timecard grid would not automatically refresh after adding a punch.
- Fixed a visual issue where the “Adjustments” column within “Pay History” would not be hidden when the "Employee Payroll Detail Show Adjustments" config is disabled.

Tax Updates

- Ohio
 - For Indian Hill, OH - Updated the tax rate to 0.5%.

For Self-Hosted Clients

Note For all self-hosted clients, as always, ensure you install all updates to give your users the best

experience and new features.
