

Off-Cycle Release Notes: 06/02/2026

Last Modified on 06/02/2026 11:04 am CDT

This off-cycle release includes a fix for an error that would occur when attempting to complete a payroll run.

Additional Updates

Enterprise

- Fixed an error that would occur when attempting to complete a payroll run after previously undoing a check correction.

For Self-Hosted Clients

Note Dacpacs will need to be applied for this off-cycle release.

For all self-hosted clients, as always, ensure you install all updates to give your users the best experience and new features.

Congratulations! You've made it to the end of the release notes. Like what you read? Click the thumbs up below.
