

Release Notes: 08/21/2026

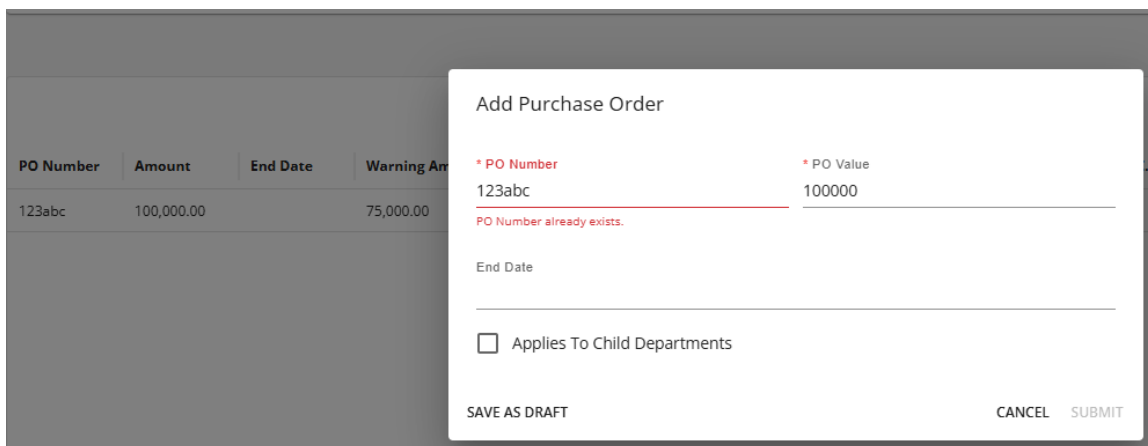

Last Modified on 08/19/2026 9:37 pm CDT

This release brings tax updates for Ohio along with additional fixes across TempWorks products.

Additional Updates

Beyond

- Added a validation warning when attempting to create/edit a Purchase Order with the same PO Number as an existing Purchase Order:

The screenshot shows a modal window titled "Add Purchase Order" overlaid on a table. The table has columns: PO Number, Amount, End Date, and Warning Amount. The first row contains the values: 123abc, 100,000.00, and 75,000.00. The modal form contains the following fields and controls:

- * PO Number:** A text input field containing "123abc". Below the field, a red error message states: "PO Number already exists."
- * PO Value:** A text input field containing "100000".
- End Date:** A text input field.
- Applies To Child Departments:** A checkbox that is currently unchecked.
- Buttons:** "SAVE AS DRAFT", "CANCEL", and "SUBMIT".

Enterprise

- Fixed a time out error that would occur when attempting to utilize Dispatcher.
- Fixed an error that would be received when attempting to abandon an invoice run.
- Fixed a time out error that would occur when attempting to utilize the Timecard Linker.

Reports

- Fixed an error that would be received when attempting to open the Timecard Session Review report.
- Updated the ICESA format of the Connecticut mag media to match the specifications required by the state of Connecticut.

Tax Updates

- Ohio
